

### REMARKS

This response is for the Restriction Requirement under 35 USC § 121 mailed by the Office on December 1, 2006. In that Restriction Requirement, Examiner noted Group I to be claims 31 through 53 and Group II to be claims 54-58. At this time Applicants elect without traverse the Group I claims (claims 31 through 53).

At this time, Applicants are reserving the right to reintroduce the Group II claims (claims 54-58) upon agreement of a common genus or linking element among the claims during the course of prosecution. If none is agreed upon, Applicants will cancel the non-elected claims without prejudice and reserve the right to pursue such claims in one or more divisional applications.

Examination and early allowance is requested for the elected claims.

Respectfully Submitted,  
PARKER et al.
